ican National railway in that city have received a telegram from Mexico, dated Dec. 21, and telegram from Mexico, dated Dec. 21, and dec 23-tJans No. 23 Mansion House Bd'g. a telegram from Mexico, dated Dec. 21, announcing that Congress, which was to have adjourned Dec. 17. had voted to extend its session thirty working days to consider the railway question and decide to which of the three companies a money subsidy of \$10,000 per mile for parrow gauge or \$13,000 per mile for broad gauge should be granted. It will be remem-bered that President Lerdo recently reported in favor of a so-called Mexican company, composed of fourteen native merchants; but it was intimated that such action was not to be considered inimical to the American companies, but as a basis of desired fusion. It is still possible that during the next thirty days of the session to be devoted to this business a concession may be awarded to one or the other of the American companies.

IN PLYMOUTH CHURCH, Sunday morning. Mr. Beecher rejused to give a notice in the following characteristic and Beecher-like manner. He said: "I am requested to give a notice which puts me in a little difficulty. I don't want to and I do want to. The Amaranth Dramatic Association wish to give a benefit in the Academy of Music next Saturday evening. They wish to pay all the expenses themselves and give all the receipts to the poor of Brooklyn. Now I want the poor to have all the money they can tut I don't want to advertise a theatrical company, and therefore I shall not give the notice." [Great laughter."]
